

END-USER CERTIFICATE FOR Φ -24 TEMPORAL RESONATOR

To be completed by TME Systems

I, _____, hereby certify that:

1. The Φ -24 Temporal Resonator technology described in attached documents will **NOT** be used for:
 - Military or defense applications
 - Cryptanalysis of currently deployed systems
 - Intelligence gathering
 - Weapons development
 - Surveillance systems
2. The technology will only be used for:
 - Academic research
 - Mathematical verification
 - Computational complexity studies
 - Open scientific publication
3. I understand the device enables:
 - Polynomial-time solution of NP-complete problems
 - Physical verification of Riemann Hypothesis
 - Potential factorization of RSA-2048 in polynomial time
 - Optimization of currently intractable problems
4. I accept liability for any violations of:
 - Singapore Strategic Goods Control Act
 - International Traffic in Arms Regulations (ITAR)
 - Wassenaar Arrangement
 - Export Administration Regulations (EAR)
